DSP TOOLKIT GUIDANCE
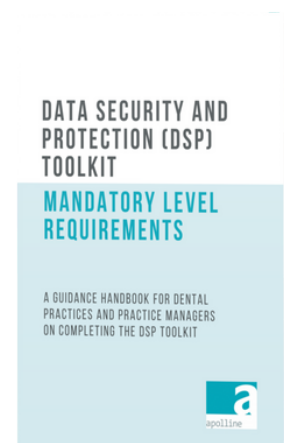

Data Security and Protection (DSP) Toolkit
There have been significant changes to the DSP Toolkit since last year, including the need for most private practices to complete it this year if they refer patients to the NHS. We think it's a tall order to do this on your own so why not let us help you so you can get back to caring for your patients?

DEADLINE 30 JUNE

MANDATORY LEVEL REQUIREMENTS

DATA SECURITY AND PROTECTION (DSP) TOOLKIT
Guidance plus all policies, protocols and templates needed to complete the Toolkit
PLUS 25 minutes ECPD

We know how most dental practices love to hate compliance so we've created a comprehensive guide to completing the DSP Toolkit.

User-friendly, this guide makes completing the updated Toolkit quick and simple for dental professionals.

The Apolline guide also comes equipped with all policies, protocols and templates needed to complete the Toolkit. You will receive no less than 17 resources, plus 25 minutes of verifiable ECPD!

DATA SECURITY AND PROTECTION (DSP) TOOLKIT

MANDATORY LEVEL REQUIREMENTS

A GUIDANCE HANDBOOK FOR DENTAL PRACTICES AND PRACTICE MANAGERS ON COMPLETING THE DSP TOOLKIT
